

GUADALUPE DOUDCHITZKY AMADEO

# Frontend Developer

Hi! I'm Guadalupe, a frontend developer based in Madrid.

guadadoud@gmail.com

For the past year I've been working as a frontend developer, building engaging and user-friendly interfaces.

+34 636191878

As a frontend developer I find it essential to understand the user and how their flow works in order to provide the best experience possible so I studied ux/ui, which gives me a more holistic view on frontend development.
